Remarks

Beautifully renovated 2 bedroom condo with open floor plan and great use of space. The kitchen has stainless steel appliances and a large island with a granite countertop. The new gorgeous tiled bath with waterfall shower has been completely renovated with high end finishes. This beautiful condominium, stretching from the front to the back of the building brings in great natural sunlight throughout the day. Two large bedrooms with ample closet space. Lots of additional storage throughout the unit, hardwood floors and high ceilings. Great location near Longwood Medical, Brookline Village, colleges and more. The Green line is just a one minute walk from the property.
